

**TOWN OF ISLE AU HAUT, SELECTBOARD
INVITATION TO BID: TRASH AND RECYCLING COLLECTION
CONTRACT**

The Selectboard is seeking bids for the trash and recycling collection contract. Trash is to be picked up every week in the months of July and August and the first three weeks in September. Pick-up for the remaining months would be every two weeks. During summer months, trash must be taken to the Stonington Transfer Station (or other licensed Transfer Station) during normal hours within a 3 day period from pick-up weather permitting.

If the trash is stored for a period of time in the winter, it is to be stored in a weatherproof-critter proof building on the contractor's property. Pick-up is at the discretion of the contractor, but a consistent schedule must be kept, (for example: every Saturday being the pick-up day through the contract) weather permitting. Bidders must explain how they will have all the following:

*A truck on Isle au Haut for pick-up and their own boat to transport materials. If they do not own their own boat, a signature on the contract of the owner of the transporting boat as co-bidder.

*A licensed truck on the mainland to transport material to Stonington Transfer Station or other arranged Transfer station.

*The winning bidder must provide their own vehicle and general liability insurance as they will not be considered a town employee. Please consider these in your bid costs.

*All drivers under contract must have a valid Maine driver's license and be covered by insurance and submit proof of both upon signing the contract.

*This contract is for a one year period.

Pertinent information:

Year 2016: RECYCABLES: approxi. 4.5 tons, TRASH: approx. 38.5 tons
