

ISLE AU HAUT HISTORICAL SOCIETY MEETING

Thursday, July 24, 2014

10:00 a.m.

Revere Memorial Hall

President Harold Van Doren called the meeting to order at 10:00 a.m. The following were present: Harold Van Doren, Marie Hamly, Pat Cole, Brenda Clark and Fred Eustis. Upon motion duly made and seconded it was **VOTED: To accept the minutes of July 9, 2014 as circulated.** Owing to a conflict the history of the lighthouse presentation by Jeff Burke was moved from July 31 to August 7, 2014 at 7:30 p.m. Pat and Brenda volunteered to provide light refreshments. Other possible presentations have proved impossible this year. Pat Cole urged us to start working now on next year's programs. Fred Eustis suggested a history of the island schools would be an interesting topic. Harold will work with our new Island Fellow Megan Cooper to develop ideas on future programs. Teacher Paula Greatorex plans to feature island history this coming school year and our input will be a resource. She would like to make a removable map of the island on the town hall floor and have each student pick a historical figure and tell about his/her life. We could help by giving her a short list of people we know the most about and what information we have for each one.

Kris Carlson couldn't be here today but there was discussion about future candidates for oral histories. Bob Bradford and Dick Marks were mentioned. Perhaps we should consider written interviews due to the difficulty of arranging personal face times. Harold presented a letter from the Maine Archives and Museums organization requesting us to renew our membership. Since they are a resource we can use it was decided to join. Dues are \$25 per year.

The date of our Annual Meeting was set for August 26. There being no further business, either old or new, upon motion duly made and seconded it was **VOTED: To adjourn.** Adjourned accordingly at 10:32 a.m.

Marie A. Hamly, Secretary

NEXT MEETING WILL BE TUESDAY, AUGUST 12 AT 10:00 A.M.
