GUESTS:

1. Treasurer's Warrant #5 \$113,268.43 3-0
2. School Warrant #20 \$5,570.88 3-0

5. Town report proof should be available for board review this week.
6. Bill Stevens is looking into concrete base blocks for building a new salt and sand shed.
7. Moxie update: There is a possibility that upon dissolution any land owned by the IAH Lobsterman Association will be transferred to the church. We are looking into who needs to pay the liens so that they can be discharged.
8. There was a discussion about foreclosing on a couple of the properties that have larger liens against them. While moving forward with foreclosure could result in backed taxes being paid and/or the properties being sold would potentially bring them back into the active tax pool, it would essentially make the town real estate agents.
9. The board will be touring the upgrades to the Head Harbor Schoolhouse.
10. Vote to accept the 2026 amendments to the 1995 Isle au Haut town parking ordinance re: fees and towing. Approved 3-0.
11. Abigail had a discussion with the library committee regarding the relationship between the board and committee for deciding wages/salary. The selectboard is in charge of and oversees the account for the library. The board also recommends that the majority of social programming needs to be funded through donations.
